Online Store: <https://www.stlbikeswap.com/>  
EBay Store: <https://www.ebay.com/usr/stlbikeswap>

## Overview

Bicycle and sports equipment company that specializes in inventory management. We purchase the items you want to discard. Consignment is a basic fee of 11%. Outright purchasing is the most common method.

## Purchase

We schedule a meeting to evaluate items.

- Small Lots of 100 items or less are evaluated immediately and cash offer is sent. Min/max 1-7 days.
- Large lots of 100 items and more require a excel/ascend/inventory file. More than one meeting is required to conclude. If the location of pickup is not close, photographs may be required.

Often, the value offered is lower than what the face value is. That is due to operating fees, strict market pricing, and the ability to adjust pricing, if the market fluctuates.

Can a franchise or store incur legal issues re-selling their items? NO. Why? Our listing will not show your barcode labels. Nor will they mention where the stock came from. After purchasing, it is property of Show ME Sports. You would be surprised the corporations that tell local bike shops not to re-sell their items to 3rd parties. Yet, they contact us each year to sell their back stock items.

WE WANT YOUR CONTINUED BUSINESS NOW AND INTO THE FUTURE. WE DO NOT WANT TO HINDER THE RELATIONSHIP.

## Consignment

11% flat fee after items sell. (Customer can opt for initial offer anytime)

After 3 weeks of no sale. Item's listing is re-evaluated and adjustment in price may be made. The listing will be re-evaluated weekly to ensure optimum selling ability.

After 2 months of listing. an inventory fee of 1% is charged per week. 2% on large items, wheels/frames/bicycles.

Once your items are listed, we will assign you a sku and update you on how to find them.

After the listing ends, we collect payment and professionally ship your item(s) to the purchaser. A check we be mailed to you at the conclusion.

Our commission is 11% per item. Paypal and eBay fees apply. If actual shipping is over projected estimate. subject to charge that existing cost.

Items that require repairs or cleaning may incur a charge of labor/parts..
